

Sustainability and inclusion for growth corridors in Africa

BUSINESS AS USUAL

INCLUSIVE GREEN GROWTH

BUSINESS AS USUAL . . .

- ✗ **Drives** conflict between actors due to limited resources, biodiversity loss and climate change
- ✗ **Poses** medium to long-term risk for business investment
- ✗ **Leads** to insecure livelihoods for local communities
- ✗ **Undermines** cohesive governance
- ✗ **Restricts** financing options

INCLUSIVE GREEN GROWTH . . .

- ✓ **Supports** interest-driven partnerships between actors for optimal resource allocation and sustainable ecosystems
- ✓ **Enables** long-term business competitiveness
- ✓ **Strengthens** sustainable and vibrant local communities
- ✓ **Encourages** strong and inclusive institutions
- ✓ **Secures** innovative investment flows
